## A Team On A Mission

————— Distinguished service through concrete values.

Our mission is to help our clients to convey a powerful & consistent message that speaks to the value of your company's products and services.

To enrich both business and its customers through effective visuals.

## A Team With A Vision

————— A leader through knowledge technology and culture.

Our vision is to be the leading branding & advertising company specialized in creative design & providing marketing solutions to every business need.

## How We Do It

Setting goals, executing tasks, managing performance & learning from experience

### Plans, Timeframes & Measurables

Whether single requests or year long campaigns, our clients are presented with clear plans. They'll have solid timeframes and measurables to track the progress.

### Quality Control

Our internal auditing mechanism ensures several filtration layers. This way, the result amounts to delivering only the creme de la creme to the client.

### Involvement & Follow-Up

Our clients are involved in every step along the way. Because we are wired for long-term contracts and retained customers, we assign an Account Manager to cater to our client's need. In addition, they will receive regular status reports, supported by figures and visuals.

**Lindokuhle Zondo**  
Procurement Officer PSI

During my time at PSI Eswatini I have had the pleasure of working closely with Sketch for three years. Sketch is an exceptional professional who consistently demonstrates remarkable expertise and dedication in their field. Their attention to detail, strategic thinking, and problem-solving abilities have proven invaluable in delivering outstanding results.

**Bethuel Dlamini**  
Galito's Operations Manager

Beyond their professional competence, Sketch is a joy to work with. Their integrity, reliability, and strong work ethic make them a trusted and highly valued team member. They possess excellent written and verbal communication skills, enabling them to effectively collaborate with colleagues and stakeholders at all levels. They naturally inspire and motivate others, always fostering a positive and productive work environment.

**Langelihle Dlamini**  
Creative Designer

I joined Sketch right after graduation. One of the things that impresses me the most is the attitude of all the employees at Sketch. I always get to see a sense of company loyalty in most members of the team, mixed with bonafide job satisfaction. Another great thing about working at Sketch is that a 'typical day' is never typical, there is always something challenging happening and everyday is filled with new learning opportunities.
